Dear Friends,

It gives me immense pleasure to welcome you all to the 8th Edition of EndoVascular Live - EVL 8.0 (8th-10th August, 2024) & also to the Fellows Course on 7th August planned at Boston Training Center.

Started in 2017, EVL has showcased 500 plus live cases in the last 7 years. EVL is now established as one of the Leading International Conference of its kind in the world & the Largest in Asia.

We have also planned live cases from 12 plus Centers of Excellence to be showcased live from 8th to 10th August 2024. KOLs from across India, Nepal & Bangladesh will be discussing each & every case to ensure rich learning for all of us.

A special 2 hours “Case in the Box” Session of Complex Cases has been planned on 8th August evening wherein 8 Pre Selected Cases will be discussed to help all of us in handling such situations in Cath Lab. Let us join hands to achieve our mission of “Learn in India - Treat In India”.

Wishing You Great Times Ahead & Great Learning.

**Sincerely,
Dr. Varinder S Bedi
Organizing Chairman**
